OVER THE GARDEN GATE

HI NEIGHBORS:

The last time I chatted with you over the gate, I was not in very good shape. In fact had to spend most of my time in a reclining chair. Now even though I'll never run any more races, I'm feeling a lot better and running the place all day long. It makes me feel good to get all around and see the tremendous stock of fine plants we have. You know there is a lot of joy in seeing a good job well done.

But we have something to say of still greater interest to you. That's our JUBILEE ASSORTMENT to celebrate twenty-five years in the cactus business and fifty years in the ornamental nursery business. It's not our custom to be offering bargains. We think that good merchandise should be fairly priced and bring that price. However, we feel like celebrating so are making our JUBILEE ASSORTMENT offer. It's 500 plants in 20 kinds for only \$25.00. It's not an offer of plants at \$5.00 per 100 but an offer of 500 at this rate. Orders

in multiples of \$25.00 will receive more kinds. Here's what you will get: 200 of our \$5.00 group, 200 of our \$7.50 group and 100 of our \$10.00 group, a total of \$35.00 worth for only \$25.00. Most of you know how generous our sizes are and that we like to tell you what size you will get for a certain price. Of course our regular quantity cash discounts do not apply to this JUBILEE ASSORTMENT offer and it's only good until our new price list comes out early next year. Send in your orders now. Our packing crew is ready and waiting to select your orders out of two or three million plants.

Adios

Howard Gates

P.S. With this you will receive a copy of our retail list. It offers many kinds that we do not have in wholesale quantities. You may order them in any quantity from one to as many as we can spare, at half price, F.O.B. Corona.
